Introduction

Thank you for registering for the August 2022 Bathurst Careers Expo.

The Bathurst Careers Expo is for employers, employment agencies and interested parties to meet and engage with job seekers and students to discuss employment opportunities in the Bathurst region. The Careers Expo has been successfully run since 2014, with the event strongly supported by the Bathurst community. People from across regional and remote NSW have travelled to attend the event and attendance numbers have increased six-fold since the inaugural expo in 2014. An attendance of 2,500 is targeted for August 2022.

Exhibiting at Careers Expo is **free** and profiles your business to a wide section of the community.
