Introduction

Thank you for registering for the July 2026 Bathurst Careers Expo.

The Bathurst Careers Expo provides a valuable opportunity for employers, employment agencies and industry representatives to connect directly with job seekers and students, showcasing employment and career pathways within the Bathurst region.

Successfully delivered since 2014, the Expo has continued to grow with strong support from the local community. Attendance has increased six-fold since the inaugural event, with visitors travelling from across regional and remote NSW to participate. For July 2026, we are targeting an attendance of 1,200 people.

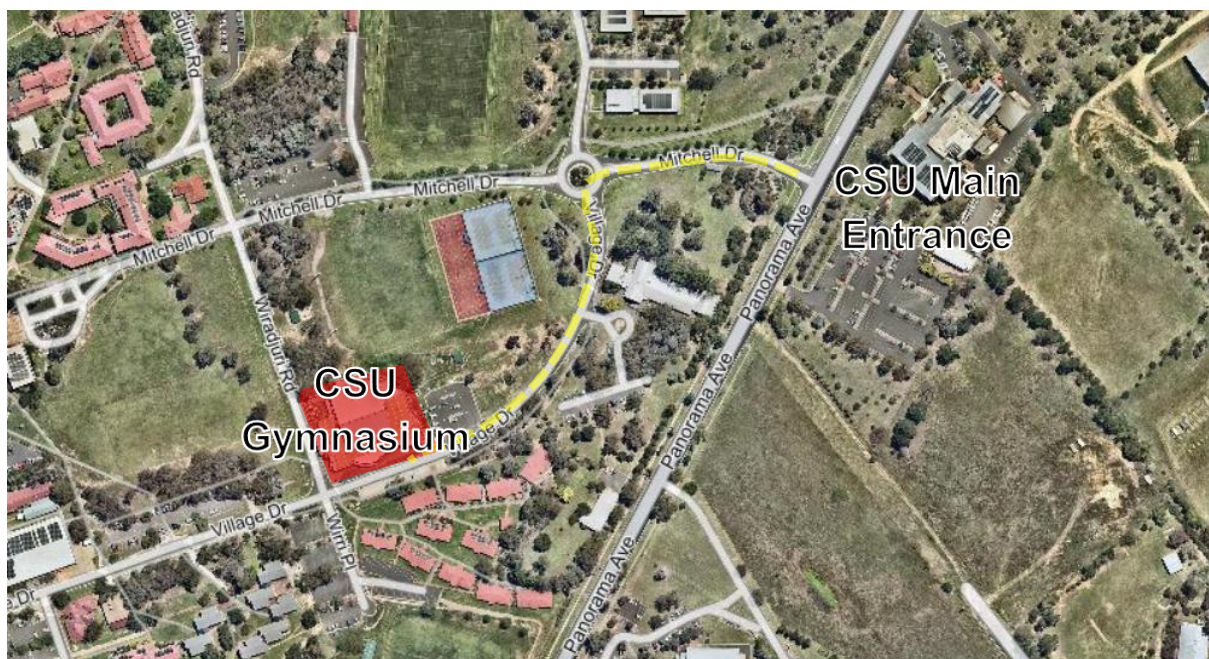

Exhibiting at Careers Expo is **free** and profiles your business to a wide section of the community.
