

## Harvest Trail Services

### Have the confidence to know you're getting the right person, every time.

We are excited to introduce Harvest Trail Services to the Hunter and Central West region of NSW, stretching from West Wyalong in the South West to Maitland in the North East, including the Hunter Valley region, South Western Slopes and part of the Riverina.

CozWine, a regional recruiter specialising in wine, food and agriculture, has been contracted by the Australian Government to deliver free services for farmers and horticultural employers, as part of their Harvest Trail program.

#### Our services include:

- ✓ Placing job seekers and people with work rights into harvest jobs in harvest areas across Australia
- ✓ Registering job seekers and checking their legal right to work in Australia
- ✓ Referring job seekers to employers to start work
